Enrolment Procedure

Booking Enquiries

Booking enquiries and requests for quotes can be made directly with the school. All enquiries are usually answered within one working day.

Booking Confirmation

A booking is deemed to be confirmed when an invoice is issued by the school. Invoices are issued only after an enrolment / personal details form is completed. Accommodation can only be confirmed at this stage.

Payment

In the absence of special arrangements, individual bookings are required to be paid in full no less than fourteen days prior to arrival – twenty-four days for Young Learners' bookings. If payment or proof of payment is not received within this time period the school reserves the right to cancel the booking.

It is the usual practice to ask for a non-refundable deposit to secure a booking, particularly when accommodation is also included.

Payment arrangements for group bookings are made at the time of booking.

Payment types accepted

Payment can be made by direct bank transfer:

Account Name Business Language Connection Ltd
(operators of International House Malta)

Bank Address Bank of Valletta PLC, Preluna Branch, Sliema Malta

SWIFT VALLMTMT

IBAN MT23 VALL 2201 3000 0000 4001 0251 236

We also accept payments made online via PayPal to epayment@ihmalta.com and via FlyWire (<https://www.flywire.com/pay/ihmalta>).

Cash payments made at Reception are also accepted.

Minors

Children between the ages of eight and seventeen will be accommodated at the Young Learners Summer Programme which runs at our annexe within the Paradise Bay Resort. The programme for 2018 will run between 9th June and 19th August. Supervision is provided on a 24/7 basis.

In exceptional circumstances 17-year-old students may be accepted at either of our main school (where students are all 18+, Parental Consent Form required) and / or at the Young Learners Summer Programme.

A special Parental Consent Form, a Code of Conduct and Campus Rules apply for the Young Learners Summer Programme; <https://www.ihmalta.com/docs/>

In all instances therefore, a Parental Consent Form needs to be completed. In the case of parents requesting their under age children to attend our main school, bookings will only be accepted if the children will be living with relatives or accommodated with host families.

We run a special programme for very young students (from the age of four – preferably accompanied by at least one parent or relative) at our annexe at the same time as our Young Learners Summer Programme. Very young students may also be booked on a one-to-one basis, or in closed groups of five or more, at our main school. Arrangements can also be made for children to attend lessons at our partner school which is less than a five-minute walk away from our main school in Swieqi.

Students with Special Needs

Students suffering from any medical condition or disability are obliged to inform the school upon registration, providing all the relevant details and information.

Flight Details and Airport Transfers

It is more practical for students that book accommodation with a host family or at the school Residence to book an airport transfer with the school.

Flight arrival details including flight number, time, date and airport of origin are to be sent to the school no less than seven days prior to arrival.

Whilst airport transfer fees allow for up to a maximum of one-hour waiting time, abnormal delays require students to take an airport taxi upon arrival. In this case, the student should advise the school on the emergency number +356 99 790 890 for any additional help that is required. If there is a problem regarding transfers due to company error, out-of-pocket expenses will be refunded.

The school cannot be held responsible if flight details are not sent on time or are incorrect.

Transfers from the airport are optional and charged at €26 per student for trips to the St Julian's area or to our main school in Swieqi (return fare is charged at €21) and €41 for trips to our annexe at the Paradise Bay Resort / the Cirkewwa sea terminal (return fare is charged at €36).

Taxi services in Gozo are not included. If more than one student (up to a group of three) book an airport transfer when travelling on the same flight, the cost of the transfer will be shared.

Transfers to the airport are also optional and charged at €20 from Swieqi and at €35 from the Paradise Bay Resort. The same conditions apply when there is more than one student sharing the taxi.

Group rates are available on request.

Visas

Depending on the country of residence some students may require a visa to enter Malta. Malta is within the Schengen area and travel is subject to very strict rules. Each student is responsible for obtaining their own visa.

Student visa invitation letters can only be issued after full payment of our invoice[s] is received. Any additional expenses, e.g. courier charges also need to be paid in advance.

Visa letters are issued free of charge, however, the school reserves the right to charge a fee if applications for a visa submitted on behalf of an individual or on behalf of an agency are consistently refused for any reason.

For the latest information about visa applications students are advised to check the website of the Maltese Ministry for Foreign Affairs www.foreignaffairs.gov.mt for the latest updates or contact the Maltese embassy or consulate of their own country.

The school shall do what is required to support all **bona fide** students in their endeavour to obtain study visas. However, it cannot be held responsible for the decisions taken by embassies or immigration authorities regarding entry visas or visa extensions.

Students are advised that bookings of less than twenty lessons (15 hours' tuition) a week are not accepted for visa applications.

If the enrolment start date is postponed due to delays in the visa application process, the school may not be able to offer the same original accommodation allocation as originally booked.

Courses

General Information

Courses should preferably be joined on a Monday.

Each lesson is of 45 minutes' duration.

The coffee break is usually between 10:30 and 11:00 and the lunch break is between 12:30 and 13:00. Lesson times may vary according to the season.

Courses may be held in the morning or in the afternoon according to circumstances. The school reserves the right to place students in any course schedule and to change the timetable as and when necessary. The school may also use classrooms at an alternative property of a similar standard in extreme cases.

The school is open all-year round except on Good Friday, Christmas Day and New Year's Day when these fall on a weekday. Lessons are held from Mondays to Fridays unless by special arrangement.

Levels for group courses range from Beginners to Advanced.

Additional lessons may be booked on request after arrival.

At the main school the maximum number of students in a class will never exceed twelve people whilst the average number is between six and eight.

The maximum number of students in class at our Young Learners Summer Programme will never exceed fifteen whilst the average is between ten and twelve.

First Day of School, Placement Test and Welcome Talk

The first day at school is Monday for students arriving at the weekend, and the day after arrival for students arriving mid-week.

Students are requested to present identification at Reception where a student card will be issued.

At 9 a.m. new students will take a placement test to assess their level of English.

At around 10 a.m. new students will attend a welcome talk, given details about the facilities of the school, the leisure programme and other customer care information as well as tips and advice how to make the most of their stay.

A tour of the area is also organised at this time and at 11 a.m. the new students will be placed in a class that corresponds to their level as determined by the placement test.

If students feel that they have been placed in a class not conducive to their level they are encouraged to take the matter to the Director of Studies – see also **Language Level Changes** below

Free 30-minute tutorial

All new students are entitled to a free 30-minute tutorial with a teacher. This tutorial usually takes place during the course of the first week.

Attendance

Students are expected to be punctual and latecomers will not be allowed to enter the class if more than ten minutes late.

According to law, students on a study visa are required to attend school regularly and sign a register on a daily basis. Absences, unless for valid reasons, will be reported to the authorities. In these situations, students will need to communicate with the school on a daily basis whilst absent.

Course Certificate of Attendance

At the end of their course, students will be awarded an INTERNATIONAL HOUSE MALTA Course Certificate of Attendance.

Regular absenteeism will be reflected in this certificate of attendance.

Language Level Changes

Students who wish to change their language level need to advise their class tutor who will discuss the matter with the Director of Studies. If the request is approved, the student will then be asked to take a test before being moved to the next level.

Reduction in Lessons

In the event that the number of students booked for a group course falls below two students, tuition on a one-to-one basis will be offered at two-thirds of the course hours. Normal lesson times will be resumed as soon as one other student joins the course.

Course Change

Students who decide to change their course need to advise the Director of Studies. In the case of upgrades, such as to a different course type or if a course is changed more than once an extra charge of €37.50 will apply each time.

Refunds will not be given to students changing to a course of a lower value, however, the school reserves the right to change any part of the package to another of similar or better standard where circumstances warrant such changes - in these instances no charges will apply.

Taking a holiday

Long-term students are entitled to take a holiday under the following conditions:

- 8 to 11 week bookings – 1 week's break
- 12 to 23 week bookings - 2 weeks' break
- Over 24 week bookings – 4 weeks' break

If accommodation is booked through the school students need to notify the Director of Studies and / or the school reception staff no less than four weeks before they plan to take a holiday. Holidays can only be taken in whole weeks (Monday to Friday). If the revised enrolment overlaps into the high season, the difference in seasonal course charges will apply. Unutilised accommodation and courses are non-transferable and no refunds will be given.

If accommodation has not been booked through the school two weeks' notice will suffice.

Exam Information

Exam fees are not included in any of the course fees. Students who wish to take an exam must produce a passport as a valid proof of identification - identity cards are not accepted. While the school will assist students in filling out the forms to apply for an exam, it is entirely the student's own responsibility to register for the chosen examination.

The school is a Gatehouse Examination Centre but not a Cambridge / IELTS or TOEFL exam centre. In the latter instance students will not be able to take the exam at the school, however, the exam centres on the island are only a bus ride away from the main school.

Online courses

Each lesson is of 45 minutes' duration and a minimum of five lessons need to be booked. Group classes are subject to availability. Times and days depend on teacher availability.

No refund can be made to students once the course has commenced and no transfer of courses in whole or in part can be made to any third party.

Cancellation and waiting time – classes cancelled up to 24 hours before the agreed start time may be rescheduled at the teacher's discretion. Classes cancelled with less than 24 hours' notice will forfeit the lesson. The teacher will wait for the student for no longer than 15 minutes from the agreed starting time.

Minimum student age is 18 years old.

Students must not film, reproduce or distribute class material in any way without International House Malta's express permission. Students must also not post or transmit any viruses or content that may be deemed offensive or inappropriate to other students.

The school will not be held liable for any costs incurred as a result of the student having no or insufficient insurance cover. The school reserves the right to be fully reimbursed for any medical or related costs it may incur on behalf of the student who requires urgent medical attention. Unless it is legally imposed, the school will not accept any liability in the case of any accident, be it illness or injury, or loss or damage of personal effects or property.

Safety and Security

Even though a number of security measures are in place to ensure that the school and accommodation are safe, personal belongings are each individual's responsibility. Students are to take care of their belongings and never leave them unattended. Students' possessions are not covered by the school's insurance policy and the directors, management or staff cannot be held responsible for the theft, loss or damage to students' valuables even if being held for safe-keeping.

In the case that no single student takes responsibility for the damage done to their respective classroom/accommodation, all students involved will be held equally responsible. Students will be immediately charged for any damage done.

If students have any concerns regarding courses, accommodation, or any other service provided by the school or its sub-contractors, they are to bring these concerns to the attention of any member of the management team or at the school reception in person and at the time of the occurrence or very shortly thereafter. A written declaration may be required in serious matters.

If, in the opinion of the management students appear likely to endanger their own health, safety or comfort, or that of the other students, or damage the property or the reputation of the school, sub-contractors or third parties, the school may terminate any service already paid for without being held liable in any manner whatsoever.

The management reserves the right to expel any student who regularly disregards school and / or accommodation policies and rules. In the event of repatriation there will be no refund and the school reserves the right to reclaim any costs incurred.

Policies and Rules

All students are to abide by the policies and rules of International House Malta and by the laws governing the country. Students are expected to be aware of the school's terms, conditions, policies and rules. Ignorance of the policies and rules will not be accepted as an excuse for non-compliance.
