

Advanced Classroom Management and Techniques

Duration: 1 Week

Boost your teaching skills with this dynamic and practical training course. Designed for English teachers, it focuses on advanced classroom management and teaching techniques to create engaging, student-centred lessons that help learners succeed. Ideal for teachers of all experience levels: this course supports your professional development with strategies to improve classroom control, enhance learning experiences, and build learner confidence.

Start Dates Available: 02/02/2026 | 10/08/2026

21st Century Classroom: Practical Skills for English Teachers

Duration: 1 Week

Upgrade your classroom and transform your teaching with modern, practical teaching skills that engage and inspire today's learners. This course equips you with clear instruction cycles, a wider repertoire of engaging activities, and techniques from Communicative Language Teaching (CLT). You'll refine how you give feedback, evaluate classroom practices, and leave with a personalised action plan to keep developing your skills.

Start Dates Available: 16/02/2026 | 27/07/2026 | 19/10/2026

Technology in the Classroom

Duration: 1 Week

Boost your digital confidence and bring lessons to life with technology. This course builds essential digital literacy, introduces key tools and terminology, and helps you design practical tech-based activities. Confidently integrate technology into your lessons and make learning more interactive, dynamic, and effective.

Start Dates Available: 30/03/2026 | 13/07/2026 | 24/08/2026 | 26/10/2026

English for Teachers

Duration: 1 Week

Strengthen your fluency and confidence in English through interactive workshops and discussions on engaging topics. Designed for non-English teachers, this course combines communicative practice with grammar development, working on fluency and accuracy, and expanding your lexis in relevant contexts. You'll gain hands-on experience in brainstorming, problem-solving, role-play, and other forms of experiential learning.

Start Dates Available: 30/03/2026 | 13/07/2026 | 24/08/2026 | 26/10/2026 | 26/10/2026

Teaching Pronunciation

Duration: 1 Week

Help your students sound more natural and confident in English. This hands-on course deepens your understanding of how sounds are made, connected speech, stress, and intonation. Empower your students to speak clearly and naturally with practical pronunciation techniques that work.
